## WORKBOOK

## Salvation

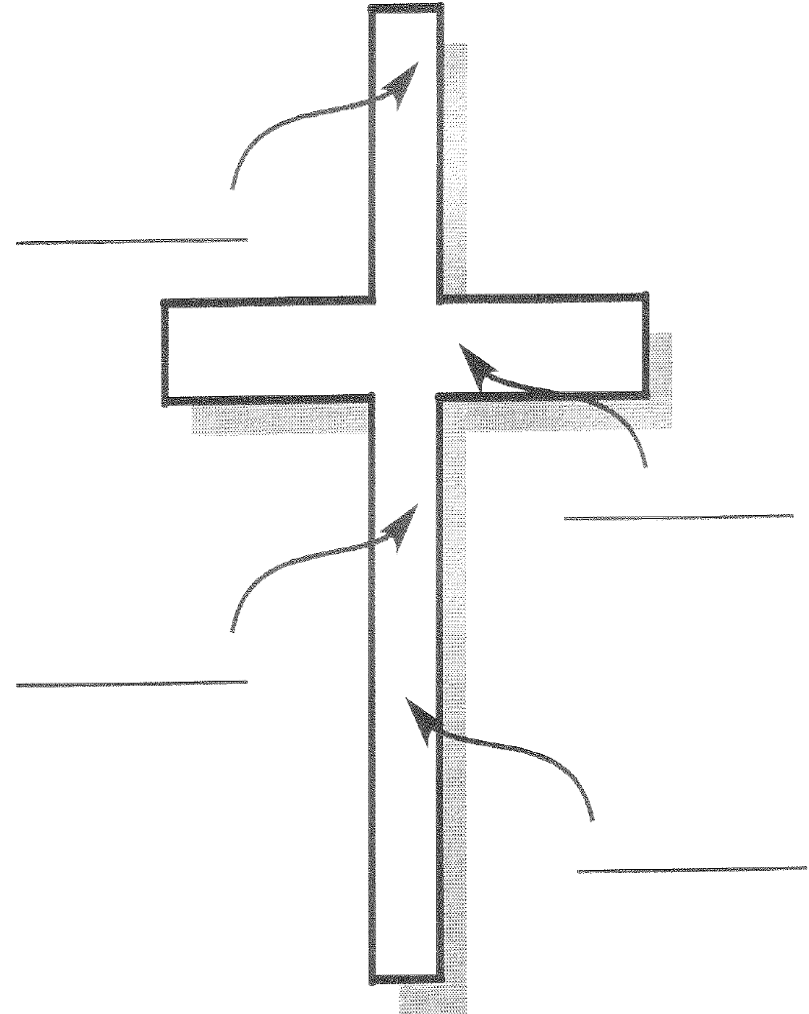

God has a family, a very big family. Everyone in the world who loves Jesus and follows Him is a member of that family. In Ephesians 2 v 19 it says that you are citizens along with all of God's holy people. You are members of God's family. Which words tell us that we belong to God's family?

Many people who follow Jesus in every country have decided to join together as a smaller family of God. Do you know what our smaller family is called? There are other small families of God in our country. Every church is a small family of God. Now do you wish to be baptized and be part of our small family?

### How God looks after our sin problem

People who do not follow Jesus have a sin problem. They do wrong things and they get into trouble. They can be selfish and angry and mean. They are often disappointed with life and the things that happen to them. They do not know what they are supposed to do in life. They often fight with other people. We were like that before we followed Jesus.

**Draw the kinds of faces these children had before they knew Jesus. Write down some bad attitudes which spoiled their lives. Write your name if you have ever been like this.**

## Step 1

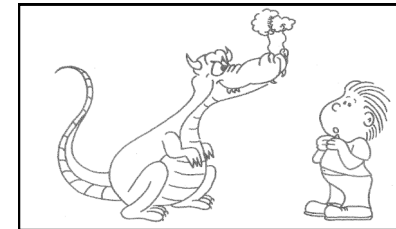

Jesus takes care of this sin problem when we trust him as savior. The holy spirit tell us in our hearts that we have a sin problem. We cannot do anything about it ourselves. Read: Romans 3 v 23. How many people have sinned? Does this mean you?

What sin problem was especially bad for you? Write it's name on the monster. Could you get rid of that monster in your life by yourself?

## Step 2

We are sorry that we do so many wrong things. We want to follow God's way. What do we have to do with our sins?

We do not like our sin. We would like to change. What do we have to do to get rid of our sins? Read 1 John 1 v 9 and fill in the blanks with the correct words.

"If we \_\_\_\_\_, He is \_\_\_\_\_ and \_\_\_\_\_ and will \_\_\_\_\_ and \_\_\_\_\_ from all \_\_\_\_\_."
