

JESUS FIRST

bible reading plan

2025

This year's reading plan centres on Jesus, inviting us to explore His story in depth. We will trace His journey from its beginnings, examine what the prophets foretold about Him, reflect on His words and deeds, and delve into what was written about Him after His resurrection.

The reading plan is designed to help us uncover and experience Christ's supremacy, pre-eminence, and centrality in the entire Bible. He is the One "who was and is and is to come," the Alpha and the Omega, encompassing everything in between. As the International Children's Bible beautifully expresses: "... in all things Jesus is most important" (Colossians 1:18c).

Each day's reading includes just a few verses, providing space to dig deeply into a small portion of Scripture, reflect on its meaning, and allow it to shape your life. You are encouraged to create a list of everything you learn about Jesus throughout the year.

To complement the daily readings, there will also be a memory verse for each month, carefully chosen from that month's passages to inspire meditation and fruitful reflection.

This year, following along with our church-wide Bible reading plan online is easier than ever! So many people already have the YouVersion bible app on their phones (if you don't simply get it for free from the App Store or Play Store), so why not make the most of it? Just search for Harvest Christian Church in the app and set it as your church. That way, you'll get friendly reminders whenever we post a reading plan update - because staying in the Word together is staying the path together!
